

# Deletion

Words cards 1-10

Syllables cards 11-20

Initial Phonemes cards 21-40

Final Phonemes cards 41-60

# Deleting Words

Teacher says the word. Students repeat the word. Teacher says, "Without /  / the word is?"

Ex. T: bedtime S: bedtime T: Without /time/ the word is? S: bed

**Deleting hand motion:** Hold 2 open palms in front of you. Teacher's right hand is the first word, left hand is the second word. Pull the hand away which represents the word being deleted, and show what word remains with the other hand.

# Deleting Syllables

Teacher says the word. Students repeat the word. Teacher says, "Without /  / what is left?"  
\*use sounds

Ex. T: planet S: planet T: Without /it/ what is left? S: plan

Hold 2 open palms in front of you. Teacher's right hand is the first syllable, left hand is the second syllable. Pull the hand away which represents the syllable being deleted, and show what syllable remains with the other hand.

# Deleting Phonemes

Teacher says the word. Students repeat the word. Teacher says, "Without /  / and what is left?"  
\*use sounds

Ex. T: howl S: howl  
T: Without /l/, what is left? S: how

Hold 2 open palms in front of you. Teacher's right hand is the onset sound, left hand is the rest of the word. Pull your right hand away when you delete the first sound, and show what word part remains with your left hand.
