

# Segmenting Syllables

# Segmenting Syllables 2-3 Syllables

Teacher says the word. Students repeat the word & segment it into syllables.

Ex. T: behind S: be-hind

Students place palms together to create "choppers" and making chopping motions left to right as they say each syllable.

# Segmenting Syllables 3-4 Syllables

Teacher says the word. Students repeat the word & segment it into syllables.

Ex. T: behind S: be-hind

Students place palms together to create "choppers" and making chopping motions left to right as they say each syllable.

# Segmenting Syllables 4-5 Syllables

Teacher says the word. Students repeat the word & segment it into syllables.

Ex. T: behind S: be-hind

Students place palms together to create "choppers" and making chopping motions left to right as they say each syllable.
